**TENNESSEE DEPARTMENT OF ENVIRONMENT AND CONSERVATION
DIVISION OF UNDERGROUND STORAGE TANKS
COOKEVILLE ENVIRONMENTAL FIELD OFFICE
FIELD TRIP REPORT**

FACILITY ID: **N/A**

FACILITY NAME: **Regal Craft Kitchen**

DATE OF TRIP: **November 6, 2015**

WEATHER CONDITIONS: **Cloudy, Low 70F.**

UST PERSONNEL PRESENT: **Mac Pointer, CK – EFO/Dustin Turner, CK-EFO**

Dustin Turner and I made a site visit to determine if Regal Craft Kitchen has any underground storage tanks (USTs). I did not find anyone on site to speak with as the facility is closed and listed for sale. Satellite imagery shows an area at the northeast quadrant that may be UST equipment. That area's photographs are shown below. The removed structure does not resemble any equipment associated with USTs. I could not find any indication of the property having underground storage tanks.
